Society of Academic and Research Surgery. Dublin, Ireland. January 2010.

Repair of complex abdominal defects using Permacol implant. Nastro P, Gravante G, Madeddu F, Ovens L, Giordano P.

30<sup>th</sup> International Congress of the European Hernia Society. Seville, Spain. May 2008.

Systematic review of controlled trials comparing the long term outcomes of conventional haemorrhoidectomy to stapled haemorrhoidopexy. Ovens L, Nastro P, Giordano P.

European Association of Coloproctology. Bologna, Italy. September 2005

Simple advancement flap anoplasty for chronic anal fissure. Giordano P, Ovens L, Grondona P, Porret T, Lunnis PJ.

European Association of Coloproctology. Bologna, Italy. September 2005

Transanal haemorrhoidal dearterialisation for the treatment of second and third degree haemorrhoids – preliminary experience. Nastro P, Ovens L, Giordano P.

European Association of Coloproctology. Bologna, Italy. September 2005

A new elective angioplasty programme: trends in the first 500 cases at Christchurch Hospital.

Ovens L, Bridgman, Richards AM, Smyth DW, Elliot JM.

The Cardiac Society of Australia and New Zealand. Rotorua, New Zealand. June 2000

## Presentations: National

---

Trauma Fellowship Experience. Uppal L.

Trainees in Trauma. Royal Centre for Defence Medicine, Birmingham. February 2013.

Minimal access screw fixation of phalangeal fractures. Ovens L, Bantick G.  
British Society for Surgery of the Hand. London. May 2012

Use of botulinum toxin in Complex Regional Pain Syndrome in the hand. Ovens L, Dewar D.  
British Society for Surgery of the Hand. London. May 2012

The Observer Response to Disfigurement: Designing Facial Eye Tracking Experiments  
Ruston J, Modi R, Ovens L, Clarke A, Butler P.  
Society of Academic and Research Surgery. Nottingham. January 2012

Botulinum toxin improves symptoms and hand function in patients with Raynaud's syndrome secondary to scleroderma  
Dhaliwal K, Ovens L, Butler P.  
Society of Academic and Research Surgery. Nottingham. January 2012

Botulinum toxin improves symptoms and hand function in patients with Raynaud's syndrome secondary to scleroderma  
Ovens L, Dhaliwal K, Butler P.  
British Association of Plastic Reconstructive & Aesthetic Surgeons. London. November 2011

Mesh repair of complex incisional hernias utilising soft tissue reconstruction and biological mesh insertion: A consecutive, single team experience.  
Ovens L, Skipworth JRA, Morkane C, Mohan A, Akhavani M, Imber C, Floyd D, Shankar A.  
British Association of Plastic Reconstructive & Aesthetic Surgeons. London. November 2011

Botulinum toxin improves symptoms and hand function in patients with Raynaud's syndrome secondary to scleroderma  
Ovens L, Dhaliwal K, Butler P.  
British Society for Surgery of the Hand. London. October 2011.

Objective evidence for the use of Coleman fat transfer in scleroderma associated facial lipoatrophy.  
Bavan L, Ovens L, Butler PE.  
British Association of Plastic Reconstructive & Aesthetic Surgeons. Oxford. June 2011.

Effect of quilting sutures on seroma formation post-abdominoplasty. Ovens L, Pickford MA.  
British Association of Plastic Reconstructive & Aesthetic Surgeons. London. December 2008

The management of itching as a complication of burn injury. Eldardiri M, Ovens L, Gardiner M, Dziewulski P, Richardson  
British Burn Association. Swansea. April 2007.

Systematic review of controlled trials comparing the long term outcomes of conventional haemorrhoidectomy to stapled haemorrhoidopexy. Ovens L, Nastro P, Giordano P.  
Association of Surgeons of Great Britain and Ireland Annual Scientific Meeting, Edinburgh, Scotland, May 2006

Simple advancement flap anoplasty for chronic anal fissure. Giordano P, Ovens L, Grondona P, Porret T, Lunnis PJ.  
Association of Surgeons of Great Britain and Ireland Annual Scientific Meeting, Edinburgh, Scotland, May 2006

Transanal haemorrhoidal dearterialisation for the treatment of second and third degree haemorrhoids – preliminary experience. Nastro P, Ovens L, Giordano P.  
Association of Surgeons of Great Britain and Ireland Annual Scientific Meeting, Edinburgh, Scotland, May 2006
